

**FORTUNE
CENTER**
BAJAGOLI

Its nice to see people moving in large numbers. Business and trade develop due to improved infrastructure. A good location always progressively looks upward with increased flow of business tourists, traders who would be potentially altering the business equations and finding new opportunities.

FORTUNE CENTER as the name itself conveys is a combination of positive opportunities and trade expansion. Bajagoli is a picturesque location on Kudremukh highway; a vibrant pathway which consistently draws tourists and indigenous traders and consumers who always desired a better shopping, a better business or professional complex to route themselves with! Further Bajagoli is the junction where one can reach Bajagoli from Karkala or Kalasa in Chikmagalur or Sringeri. Thus the location being very close to many a prominent places and other trade routes offers more appropriate opportunities for enterprise and expansion of business and trade.

FORTUNE PROMOTERS with a team of young professionals have promoted consumer friendly and business friendly projects across D.K. and Udupi districts where every project is given full attention for quality workmanship and standard construction norms with choice of locations for maximum utility and progress.
